

## Pallet crate dark grey for selective sorting

### Short description:

---

Pallet crate 3 skids dark grey designed for storing all types of voluminous, conditioned, liquid or bulk merchandise. The skids allow reversal with a forklift truck. Stackable, these pallet crates optimise floor space.

- In recycled high density polyethylene.
- Solid sides and base
- Interior sides smooth making cleaning easier.
- 3 skids.
- Resistant to acids and alkalines.
- 100% waterproof, suitable for liquids
- The skids allow reversal with a forklift truck.
- Temperature for use -25°C to +40°C
- Colour: Dark grey
- Also available in 4 other colours.
