

## Suspended logistics pocket

### Short description:

---

Pocket with attachment system.

- Perfect for permanent use in a warehouse.
- Its protective flap means that it is suitable for use both inside and out as it keeps rain, dust and mildew at bay.
- Secure attachment to transport containers, such as wire containers.
- Available in A4 portrait, A4 landscape, A5 landscape.format.
- Blue.
- In packs of 50.
